CONNECTING PEOPLE TO OUR CHURCH

In Focus

- Pray for church members in Central America affected by the recent hurricanes and flooding.
- Pray for local government leaders. The Bible tells us that God puts leaders in position, and He takes them down that His purposes may be accomplished.
- Pray for those living in impoverished countries that are struggling to feed their families and survive through the COVID lockdowns.
- Pray for this week's Adventist Mission unreached people group, the Arain, that millions will come to know Jesus through social media and that groups of believers can be formed.

Sick and Shut-ins

Please call and pray for our sick and shut-ins. Let them know they are not forgotten and are still cherished. Continue to pray for our grieving members and all the families who have lost loved ones to COVID-19 and other illnesses.
